

SESSION-1: STATA DOWNLOAD AND INSTALLATION

Course detail: <http://julhas.com/jsedutech/stata-level-one.html>

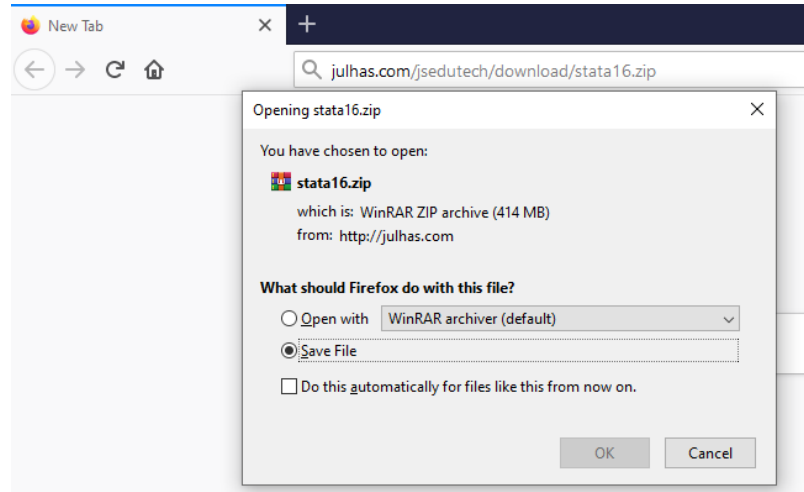

Mentor: Julhas Sujan

Stata is a general-purpose statistical software package created in 1985 by StataCorp. Most of its users work in research, especially in the fields of economics, sociology, political science, biomedicine, and epidemiology.

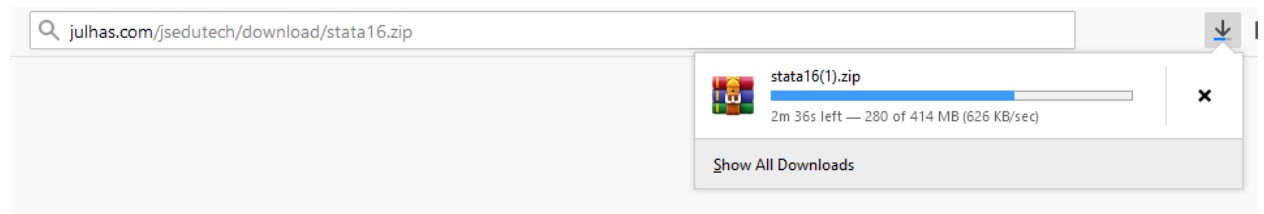

Step-1: Stata Download and Unzip (File size: 423MB, Version 16.0)

- Click on the following link and download the Stata:

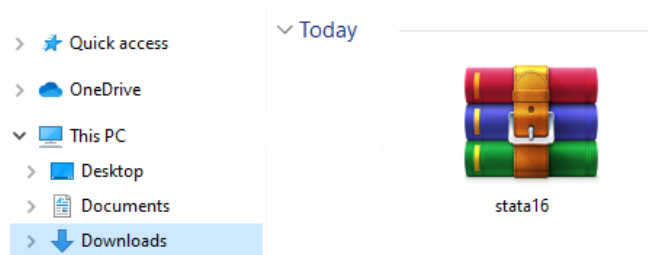

<http://julhas.com/jsedutech/download/stata16.zip>

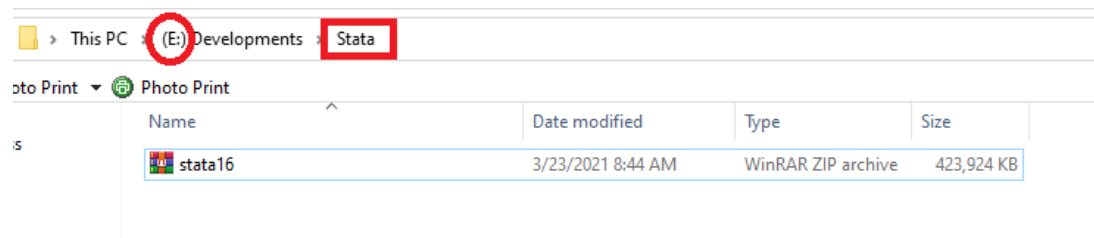

- Downloading process

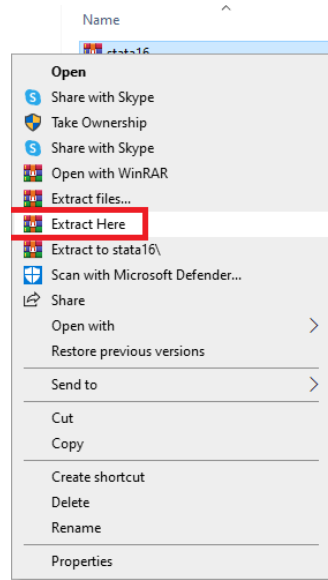

- Go to your Download directory and Copy (Ctrl+C) the file

- Create a new folder in you D/E/F drive and paste (Ctrl+V) the file here:

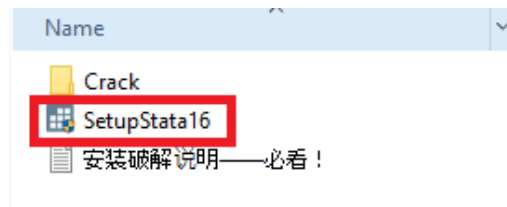

- Right click on the file and Unzip it (Click on the “Extract here”):

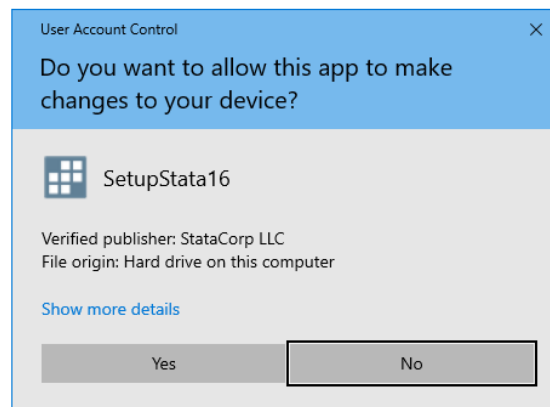

Step-2: Stata Installation:

- Goto your Stata folder and now you can see the following three files and folder. Double click on the “SetupStata16”:

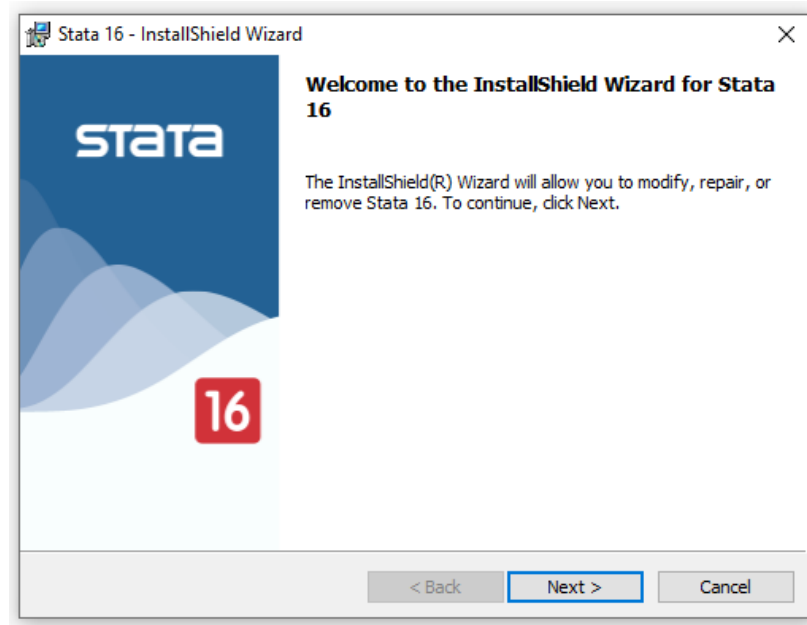

- When you click on on it, you can see the following screen and click on “Yes’ button:

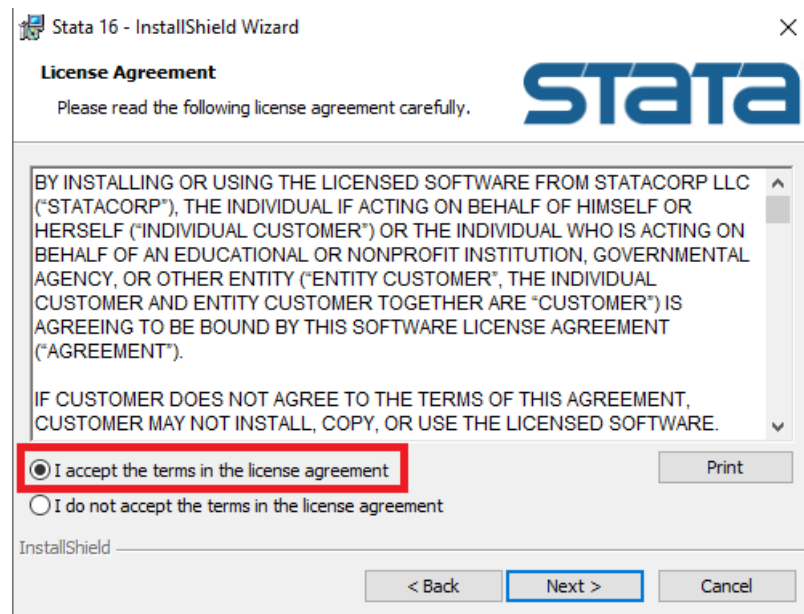

Name	Date modified	Type	Size
Crack	12/17/2020 10:20 AM	File folder	
SetupStata16	9/8/2019 10:59 PM	Application	347,499 KB
安装破解说明——必看！	9/8/2019 9:47 PM	Text Document	1 KB

- Now you can see the following Wizard for the entire installation process. Click on the Next button:

- Stata will ask you to accept the license. Click on the first Radio button and then click Next:

- Enter the following information and then click Next
 1. Your name and Organization
 2. Users of Stata

Stata 16 - InstallShield Wizard

Customer Information

Please enter your information.

STATA

1 User Name:
Julhas Sujan

Organization:
International Vaccine Institute (IVI), UNDP

2 Anyone who uses this computer (all users)
 Only for me (Julhas)

InstallShield

< Back Next > Cancel

- Click on **StataMP** version and click Next:

Stata 16 - InstallShield Wizard

Select Flavor

Select flavor that matches your license.

STATA

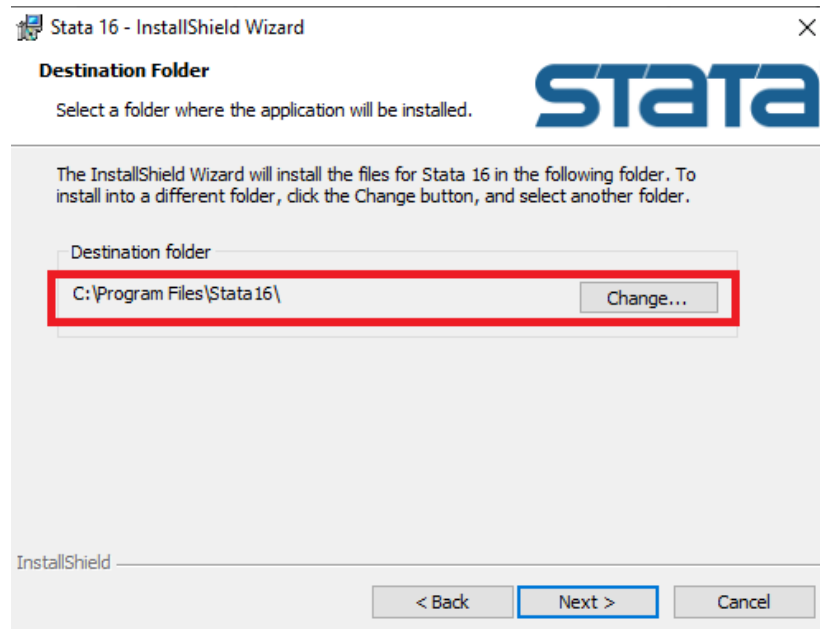

Choose the flavor that matches your license

StataMP
 StataSE
 StataIC

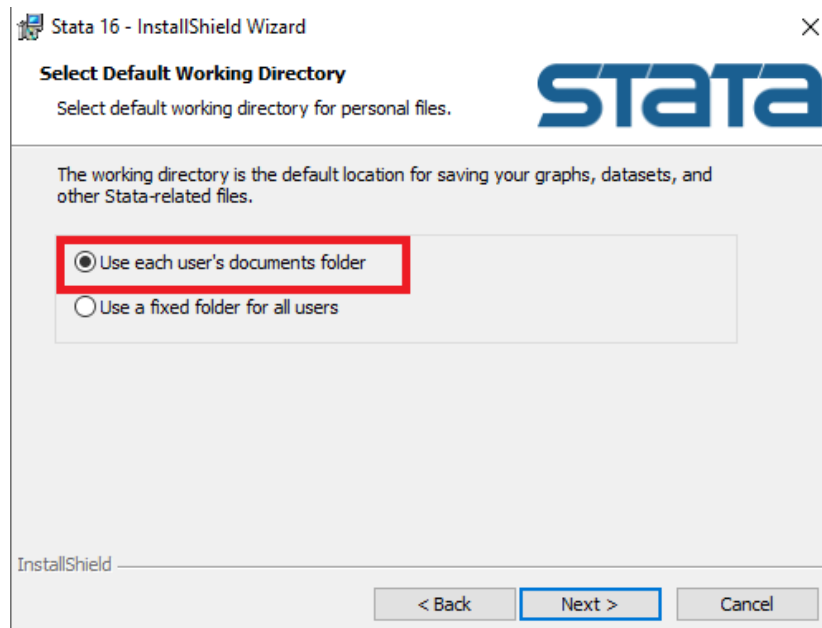

InstallShield

< Back Next > Cancel

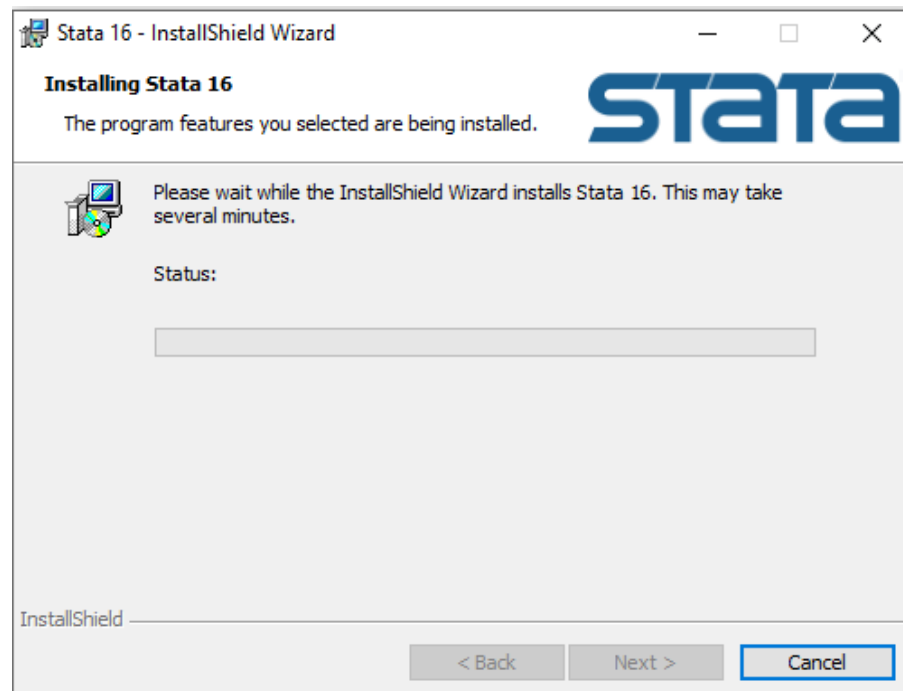

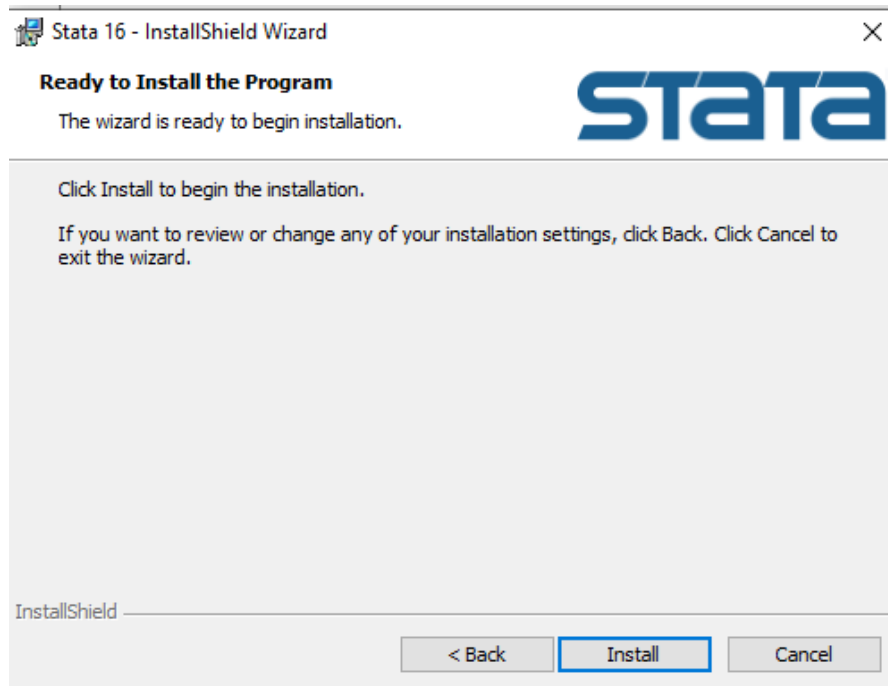

- Stata will ask you for the Destination folder that means where you want to install. You can choose any Drive of your computer. Lets keep the existing location. Click Next:

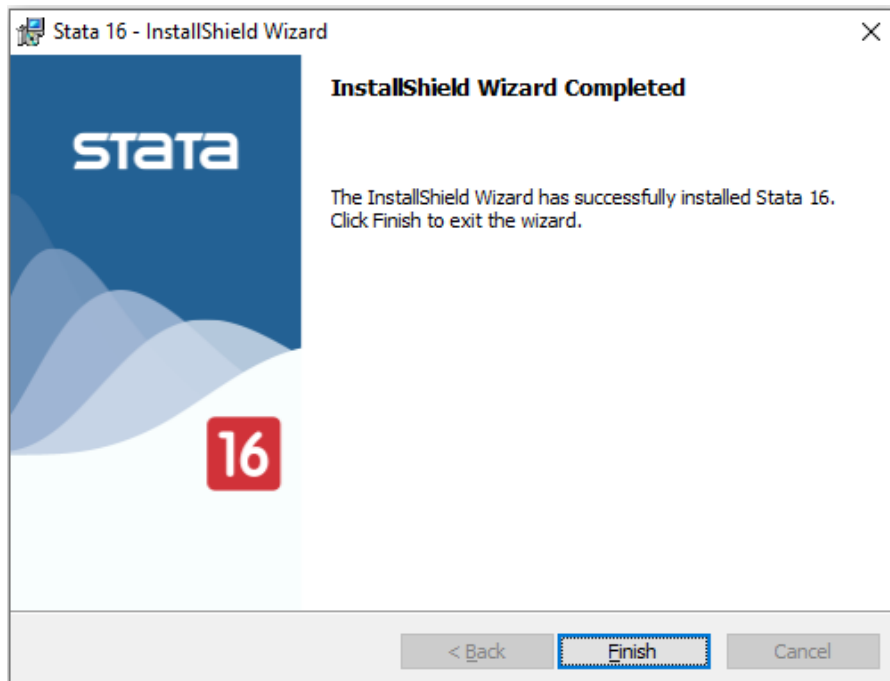

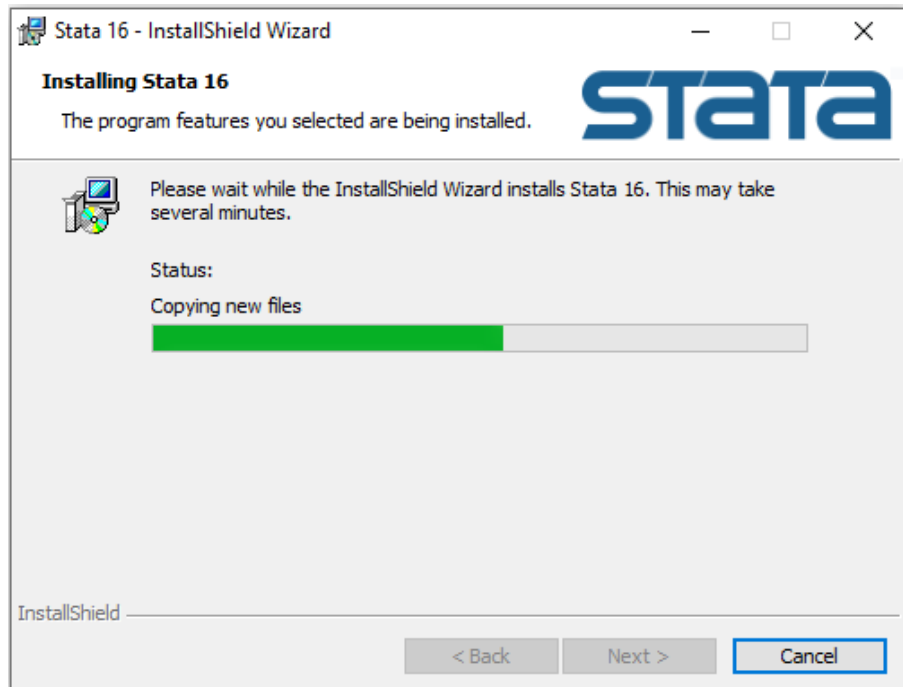

- Select default working directory and click Next

- Now click on the Install button and it will start installation:

- Click on the finish button.

Step-3: Crack license replacement

- Go back to the Stata >> Crack >> Copy the following two files

This PC > (E:) Developments > Stata > Crack

Name	Date modified	Type	Size
STATA.LIC	9/8/2019 9:47 PM	LIC File	1 KB
StataMP-64	9/8/2019 10:36 PM	Application	76,424 KB

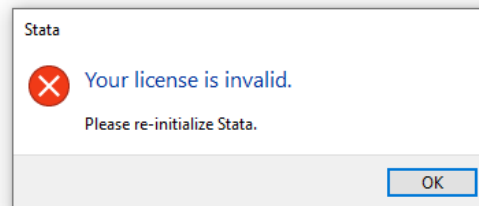

- Go to your C drive then >> Program Files >> Stata16 and paste the copied files:

> (C:) Windows_10_Core > Program Files > Stata16

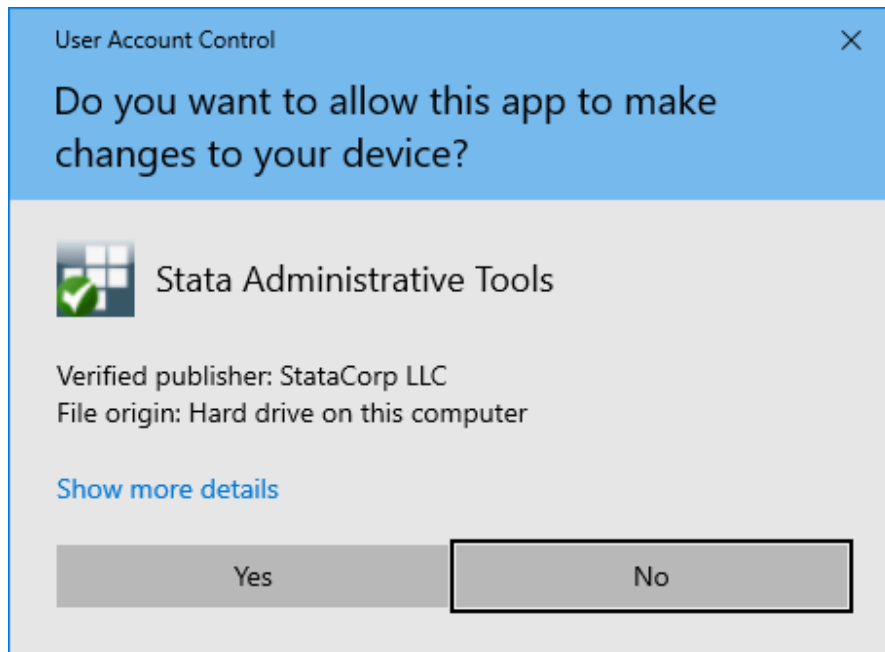

Name	Date modified	Type	Size
ado	3/23/2021 9:04 AM	File folder	
docs	3/23/2021 9:06 AM	File folder	
utilities	3/23/2021 9:05 AM	File folder	
auto	7/2/2019 3:54 PM	Stata Dataset	7 KB
isstata.160	7/2/2019 3:54 PM	160 File	1 KB
stata	7/2/2019 3:54 PM	Firefox HTML Doc...	1 KB
STATA.LIC	9/8/2019 9:47 PM	LIC File	1 KB
StataMP-64	9/8/2019 10:36 PM	Application	76,424 KB

- Now click on the “StataMP-64” and you can see the following license invalid window. No worries! I am with you. 😊

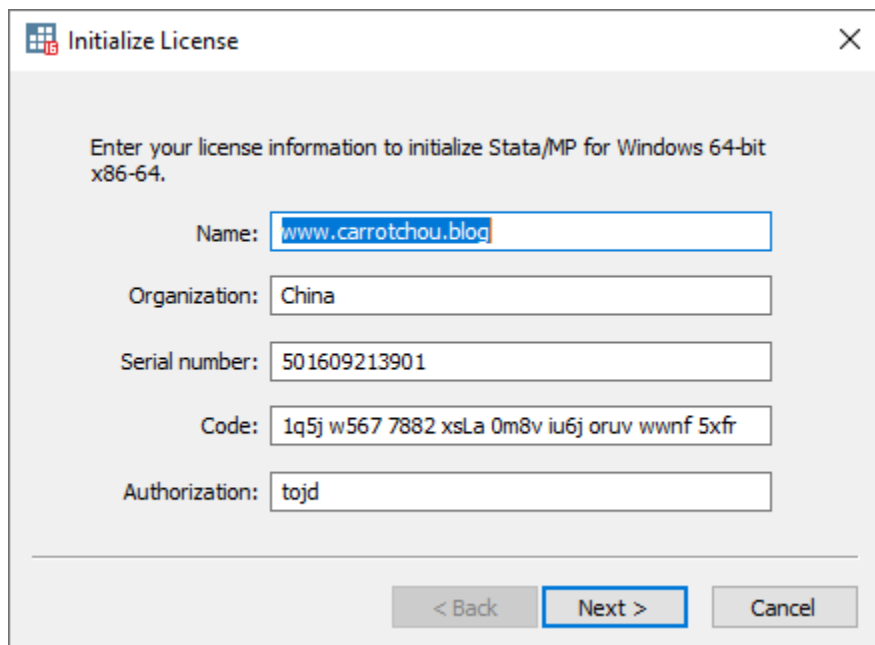

Name	Date modified	Type	Size
ado	3/23/2021 9:04 AM	File folder	
docs	3/23/2021 9:06 AM	File folder	
utilities	3/23/2021 9:05 AM	File folder	
auto	7/2/2019 3:54 PM	Stata Dataset	7 KB
isstata.160	7/2/2019 3:54 PM	160 File	1 KB
stata	7/2/2019 3:54 PM	Firefox HTML Doc...	1 KB
STATA.LIC	9/8/2019 9:47 PM	LIC File	1 KB
StataMP-64	9/8/2019 10:36 PM	Application	76,424 KB

- Click on the Ok button and Stata will ask you for verification. Click on Yes.

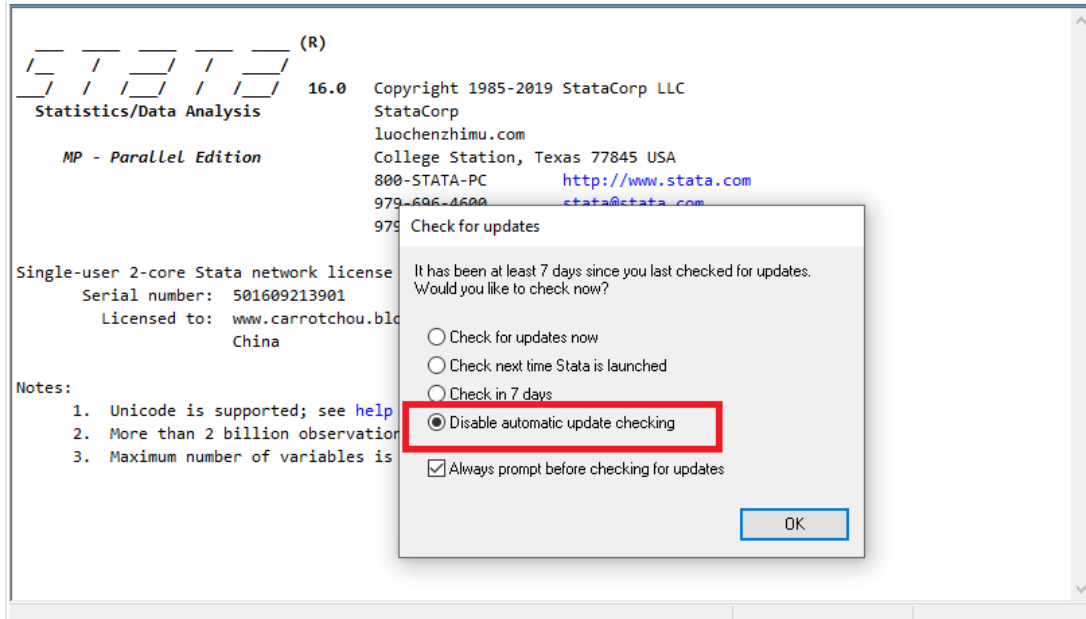

- The following window is the Crack license information. Don't change anything. Click on the Next button. Just click on finish.

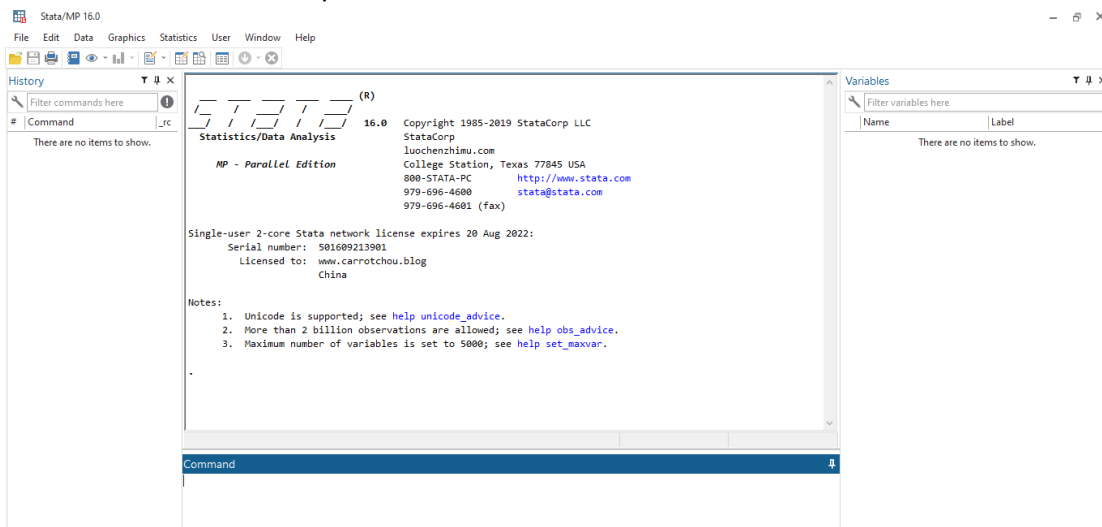

Step-4: Stata Opening

- After the license verification, the following window will automatically display. Click on the “Disable automatic update checking” radio button and see the output.

- Hu ree!** I have finished my Stata installation.

Good Luck!
